Catholic Social Teaching

This week, we are reflecting on the Catholic Social Teaching principle of Solidarity. Solidarity reminds us that we are all part of one human family, created and loved by God. It calls us to stand together, support one another and recognise that we are responsible for the wellbeing of others, both in our local community and around the world.

In 1 Corinthians 12:26, we read, “If one part suffers, every part suffers with it; if one part is honoured, every part rejoices with it.” This reminds us that we are all connected and that we should care for one another as brothers and sisters in Christ.

We can live out this principle this week by showing kindness and understanding to others, including those who may be different from us, offering help when someone is struggling and working together to build a caring and inclusive community. At OLMC, we demonstrate Solidarity through supporting charitable causes, welcoming everyone into our school family and encouraging our children to stand up for what is right. By working together and looking after one another, we show God's love in action and help create a better world for all.

Friends of OLMC - Notices

We need you...

Our Friends of OLMC (PTA) work incredibly hard throughout the year to raise valuable funds that directly benefit our children and school community. From organising fun events to supporting school projects, their dedication makes a real difference.

However, the PTA needs more volunteers to help plan, organise and run events. Without additional support, there is a risk that the PTA may eventually have to close. Even if you can only spare a small amount of time, your help would be greatly appreciated and could make a huge difference.

If you are interested in getting involved, please contact the school office or speak to a member of the PTA.

In the meantime, please show your support by joining us for our Chocolate Bingo on Friday 23rd October. We look forward to seeing as many families there as possible!
