Catholic Social Teaching

This week, we are reflecting on the Catholic Social Teaching principle of **Promoting Peace**. This principle reminds us that peace is more than simply the absence of conflict; it is about creating a world where everyone feels safe, respected and valued. As followers of Jesus, we are called to be peacemakers, showing kindness, understanding and forgiveness, even when we find things difficult. Peace begins with the choices we make every day, through our words, our actions and the way we treat others.

In Matthew 5:9, Jesus teaches us, "Blessed are the peacemakers, for they will be called children of God." These words remind us that we all have a responsibility to build peaceful relationships and help others to resolve disagreements fairly and respectfully. By listening to different points of view, showing compassion and standing up for what is right, we can help create a world where everyone can live together in harmony.

At OLMC, we promote peace by living out our school values of being Happy, Caring, Valued, Unique and Successful. We encourage our children to use kind words, celebrate differences, resolve conflicts peacefully and look out for one another. Whether it is offering a helping hand, including someone in a game or finding the courage to say sorry, every small act of kindness makes a difference. This week, we encourage our whole OLMC family to think about how we can be peacemakers in school, at home and in our wider community, following Jesus' example and helping to build a more peaceful and loving world.

Celebrating Our Irish Dancing Success! 🍀

A huge well done to one of our OLMC children who competed in the Great British Irish Dance Championships this weekend and achieved an amazing 5th place! We are incredibly proud of their dedication, hard work and talent, and it is wonderful to see our children embracing opportunities to shine and showcase their skills on such a fantastic stage. What a brilliant achievement!

You may also have noticed my absence from school on Friday, as I had the honour of competing in the very same competition! I took part in the Adult Céilí section with my Sean Éireann team, and I am delighted to share that we came away with a wonderful GB medal!

It was a fantastic weekend celebrating Irish dancing, dedication and the joy of being part of a team. Congratulations to everyone who took part, and a special well done to our very own OLMC star!

What we need...

Our Lady of Mount Carmel is currently seeking members of our community to join our Local Academy Committee as a governor within the St Francis Catholic Multi Academy Trust. This is a wonderful opportunity to support our school in ensuring that we deliver the best possible Catholic education for our children.

The commitment of our LAC governors is simply three meetings in the school year. For those who have more time to spare, this commitment can grow to visiting the school more regularly, supporting school improvement areas and being involved in school inspection and evaluation. If you are interested in supporting us, we would love to hear from you! Please contact Mrs Mitchell to let us know of your interest and we will arrange to contact you.
