# Catholic Social Teaching

This week, we are reflecting on the Catholic Social Teaching principle of Distributive Justice. This principle reminds us that God created the world for everyone to share and that all people should have access to the basic necessities of life, including food, shelter and clothing. It encourages us to think about how resources are shared fairly and to work towards a world where everyone is treated with dignity and has the opportunity to thrive.

In Acts 2:44-45, we learn that the early Christians shared what they had so that everyone's needs could be met. Pope Francis also reminds us in *Laudato Si'* that the earth is our shared inheritance, and its gifts are intended to benefit everyone. This teaches us that we all have a responsibility to care for one another and ensure that nobody is left without the things they need.

We can live out this principle this week by sharing what we have, being generous towards others and recognising when someone may need extra support. At OLMC, we demonstrate Distributive Justice through our food bank collections, charitable fundraising and efforts to ensure that everyone feels included, valued and supported. By sharing our resources fairly and looking out for those in need, we follow Jesus' example and help to build a fairer, more caring world where everyone has the opportunity to flourish.

## Whats on offer @OLMC

Our Mighty Mounts Wrap Around Care is available from 7:30am to 6:00pm each day, providing a safe, nurturing and enjoyable environment for children before and after school. Run by our amazing OLMC staff, morning sessions cost £5 and include breakfast, while after-school sessions cost £9 and include a healthy snack-style tea, offering families flexible, high-quality childcare throughout the school day. Sibling discount applies

- Tuesday - Tag Rugby (£1 per session) SPACES
- Wednesday:
  - Kick on Multi-sports (£4 per session) SPACES
  - Yorkshire Wildlife park club (FULL)
- Friday: Mad Science Club (FULL)

## Whats been happening at OLMC...

### Last week...

It's been another busy week of learning across OLMC! 🍁 Reception have been exploring all things Autumn and have produced some fabulous hedgehogs. Year 1 have been thinking about how we can care for all of God's creations, while Year 2 have been developing their knowledge of castles. Year 3 have been delving into the past, learning about the Stone Age, Bronze Age and Iron Age. Year 4 have been exploring the water cycle, and Year 5 have been discovering more about the Vikings. Meanwhile, Year 6 have been engrossed in their class text, *Cogheart*. It's wonderful to see our children's curiosity, creativity and enthusiasm for learning shining through in everything they do!
